

ANNAI VAILANKANNI ARTS AND SCIENCE COLLEGE, THANJAVUR-07

DEPARTMENT OF CHEMISTRY

INDUSTRIAL VISIT-2019

We visited the **Indian Institute of Food Processing Technology (IIFPT)** on 16.9.2019 in Thanjavur for understanding the chemical contributions in food processing and preservation. Moreover, the department of chemistry with a batch of 32 students has visited the **PASTEUR INSTITUTE OF INDIA, COONOOR** for two days (20.9.2019 to 21.9.2019). During the trip, the students have learned more about drug efficiencies of chemicals for certain fatal diseases especially Rabies. The scientists of this institution have discussed with the students about the chemicals formula of rabies drugs.

INDUSTRIAL VISIT - 2019

***** Thank You*****
