V-CARE PROGRAMME

Date: 04/09/2019 **Place : Kathatippatti**

Acknowledgment

We are deeply indebted to the **Principal Dr.S.Suresh** for his guidance and cooperation for village visit.

Our sincere gratitude to the **Correspondent Rev. Fr. Dr. Sebastian Periannan** for gave us permission to organize the visit.

We also express our sincere gratitude to **Administrator Rev.Fr.S. Arockiadass** and **Head of Department Dr.K.Sujith** who have taken a lot of efforts for coming along with us at each and every step.

We thank **Headmistress** for being supportive all the time and giving such a good opportunity to interact with the people of village.

1. Purpose of visit

Village care visits are important for the following reasons.

1. The government school students are trained in environment awareness, cleanliness and improving their language skill.
2. To give awareness of "literacy", this will help the development of village students.

In order to achieve the above mentioned objectives the Computer Science and Visual Communication organized a village visit to Kathatippatti.

2. Visit in Government School

We visited the government school at Kathatippati. The Headmistress gave a brief introduction about the school. She told us about the different activities in their school.

- The school students have good discipline and involvement in extracurricular activities like drawing and painting.
- The games organized by our college students helped to expose their talents.
- The documentary film has shown by the students of visual communication.

3. Personal experience of students

The experience of working in rural environment is new to our college students and staff members. The village visit was the interface between the college and school students for motivating the people to take care of the environment. All those who attended experienced the life of rural people.

Students were given an opportunity to have dialogue with Headmistress and students asked different questions related to development of village. They also asked their queries on how the village school could be developed by our college.

The staff and students were motivated to each student would work for his (or) her village in future.

4. Conclusion

The experience of this village visit was really fantastic and unforgettable. Students were encouraged to work for rural development. They got a clear idea as to which amenities and infrastructure are for betterment of life at rural area. Students were also made aware of different scheme by our college for rural development. We are very much thankful to the management for such village visit. By using this concept our students can contribute towards the nation development.

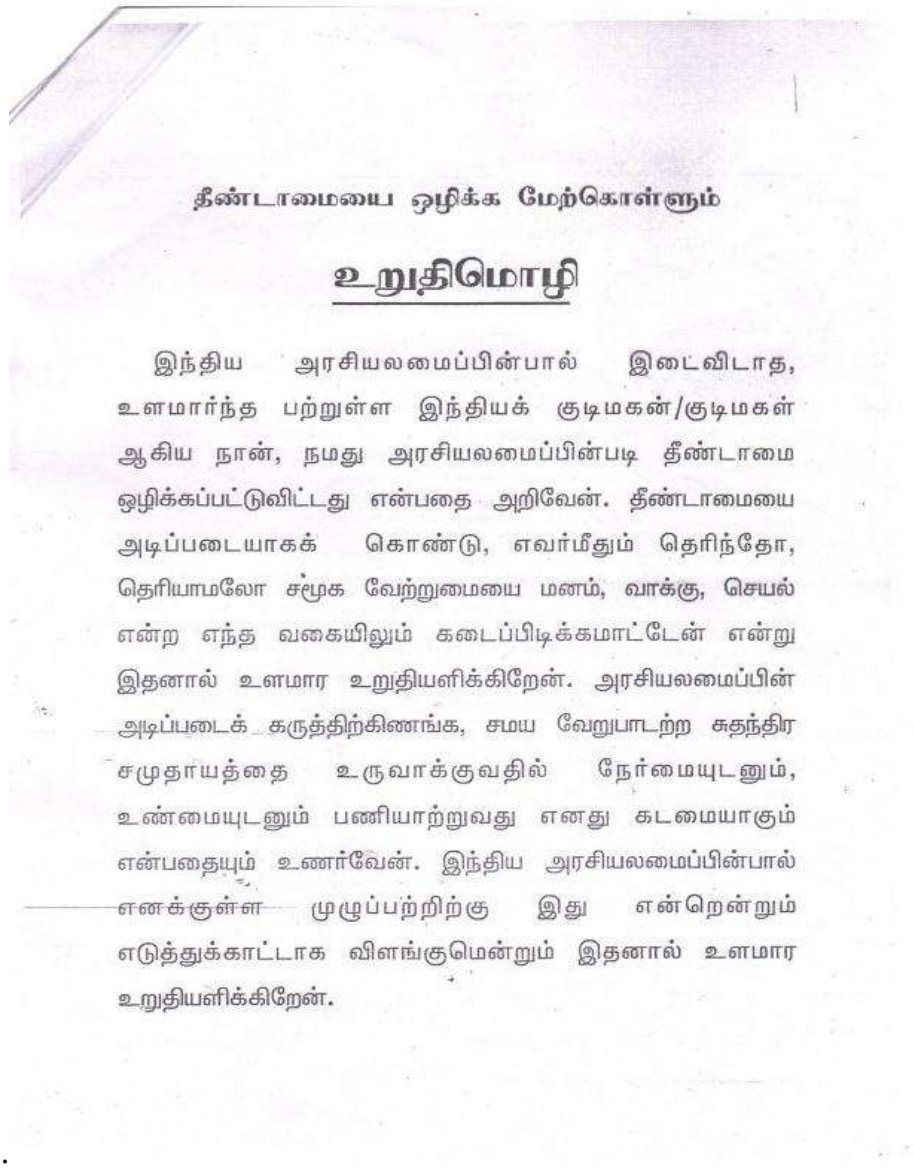
PLEDGE FOR "DAY OF UNTOUCHABILITY"

The government stated that every year on 30th January, two minutes silence is being observed for paying homage to the martyrs, who laid down their lives in the struggle for India's Freedom. In our college also, we take the pledge as directed by the Government. The pledge was read by our college Principal Dr.S.Suresh and our department students were also participated in that pledge.



தீண்டாமையை ஒழிக்க மேற்கொள்ளும்

உறுதிமொழி

இந்திய அரசியலமைப்பின்பால் இடைவிடாத, உளமார்ந்த பற்றுள்ள இந்தியக் குடிமகன்/குடிமகள் ஆகிய நான், நமது அரசியலமைப்பின்படி தீண்டாமை ஒழிக்கப்பட்டுவிட்டது என்பதை அறிவேன். தீண்டாமையை அடிப்படையாகக் கொண்டு, எவர்மீதும் தெரிந்தோ, தெரியாமலோ சமூக வேற்றுமையை மனம், வாக்கு, செயல் என்ற எந்த வகையிலும் கடைப்பிடிக்கமாட்டேன் என்று இதனால் உளமார உறுதியளிக்கிறேன். அரசியலமைப்பின் அடிப்படைக் கருத்திற்கிணங்க, சமய வேறுபாடற்ற சுதந்திர சமுதாயத்தை உருவாக்குவதில் நேர்மையுடனும், உண்மையுடனும் பணியாற்றுவது எனது கடமையாகும் என்பதையும் உணர்வேன். இந்திய அரசியலமைப்பின்பால் எனக்குள்ள முழுப்பற்றிற்கு இது என்றென்றும் எடுத்துக்காட்டாக விளங்குமென்றும் இதனால் உளமார உறுதியளிக்கிறேன்.
