

ANNAI VAILANKANNI ARTS AND SCIENCE COLLEGE, THANJAVUR

DEPARTMENT OF BOTANY

ANNUAL REPORTS 2020-2021

A Memorandum of Understanding (MoU) was signed between Department of Botany, AnnaiVailankanni Arts and Science College, Thanjavur with Department of Biotechnology, Don Bosco College, Maram, Manipur here on Date 11/01/2021.

The agreement was signed by Rev. Fr. Secretary and Correspondent, Rev. Fr. Administrator and Principal along with HOD of Botany Department, AnnaiVailankanni Arts and Science College, Thanjavur.

The main objective of the MoU is to produce educational e-content for self-enhancement courses in the form of Massive Open Online Courses (MOOCs) for the benefit of botany students in the degree colleges under the jurisdiction of various State universities in the State.

The aim is to enable scholarly cooperation, communication, exchange, and enhancement of interdisciplinary training for students and professionals.

This partnership is part of our continuous efforts in enabling students and faculty to engage with and benefit from global peers and mentors.

The potential areas of cooperation include shared initiatives in Biological sciences, research methods, heritage studies, and faculty exchanges. To create new research and teaching dynamics in collaboration with Department of Biotechnology, Don Bosco College, Maram, Manipur.

This MoU helps students to succeed in their careers and to have a competitive world and to excel in the corporate world the students are trained with interpersonal skills. Good interpersonal skills help students to be self-directed, ethical, and most importantly resourceful ones.
