

ABOUT OUR COLLEGE

Annai Vailankanni Arts and Science College started its journey in the year 2009 with the aim of providing education to all multi-cultural and multi-linguistic young minds irrespective of caste and creed. The Most Rev.Dr.M.Devadass Ambrose, L.S.S., D.D., Bishop of Thanjavur nurtured this college to fulfil the dreams of young minds by inducing and promoting traditional humanitarian ethical values, enhancement of literacy, intellectual and all-round developments to empower the world. He considered that the social and economic condition of the youth must not be a hindrance to pursue their degree. He established this college in the academic year 2009-2010 which was confirmed by the governing body held on 26th August, 2008. The Government of Tamil Nadu, G.O.17, dated 08.06.2009, granted its approval to start the college in the academic year 2009. The College initially made its start at V.O.C Nagar, Thanjavur district with modest number of programmes.

In a year, a massive and an imposing building sprang up at the Bishop Sundaram Campus, Pudukottai Road, Thanjavur which was approved in the governing body meeting on 19th of September 2009. The venture of knowledge started in the new building from 16th June 2010 constituting with 04 Departments 69 Students and 06 Professors.

The college is situated in the heart of the town, Thanjavur district. The college excelled with good infrastructure surrounded with prolific greenery. It was placed in such an environment which is free from traffic and noise pollution. The college is an amalgamation of competent Teachers, state of art, infrastructure and efficient Management, safe and supportive environment for the students to provide a perfect balance of academic, sports, artistic and social opportunities. To be a world class institution committed to develop individuals to meet global challenges. Provide value based education and mould the younger generation.

At present the college excels with 15 Under-Graduate and 07 Post-Graduate Programmes with 06 M. Phil. and 04 Ph. D. Programmes. We have around 120 Professors to educate Young minds and of 3000 students gained opportunity to learn and discover themselves.

In the forthcoming years the college will become an institution of higher learning and assure a nurturing and caring environment to make the young minds blossom into empowered and responsible human beings in all aspects of life.

ABOUT OUR DEPARTMENT

The Department of Mathematics, Annai Vailankanni Arts And Science College was established in the year 2010. The Department offers graduate, postgraduate courses and Ph.D. Programmes in Mathematics. It consists of 10 highly qualified faculty members which include 06 Doctorates, 1 SET qualified and 3 pursuing Ph.D scholars to make sure the best education imparted to the students. The faculty members are also actively involved in research and carrying out projects. The students are provided with ample opportunities to improve their organizational skills and group dynamics. They are motivated to handle seminars and participate in group discussions. Apart from emphasizing consistent and good academic performance, the department encourages participation of students in curricular and co-curricular activities to bring out the best in them.

ABOUT THE PROGRAMME

This program is focused on how to prepare for CSIR NET, SET Exams and main attention is solving peculiar problems in Real analysis, Complex analysis, Modern algebra, Linear algebra and Topology. The lecture sessions will be more useful to understand the concepts and it gives an opportunity to taste the subject by solving a greater number of crucial problems in a better way. It is a very good platform to face screening examinations like CSIR-JRF-NET, SET, GATE and JAM etc., The resource person of this seminar was qualified the above mentioned examinations and achieved very good rank in all India level. So their experience is very useful for us to qualify the examinations.
