REPORT FROM 24.06.2019-28.06.2019

Bridge course program for the first-year students was held from 24.06. 2019. Day one started with an introduction to about the course, followed with the topic vocabulary and its usage. Introduction about phonetics was also given. Students were trained to speak with proper accent. Games were also conducted regarding the same.

Day two of the course started with “The Parts of Speech”. The eight

parts of speech started with Noun followed with Pronoun, Verb, Adverb, Adjective, Conjunction, Preposition and Interjection were explained in detail to the students. Training was also given to them about the same. Every one participated with more enthusiasm.

Afternoon session of the course started with the motivational topic on “Know and build yourself”. Students participated and also got motivated about the same.

Tense was thought and trained to the students on the third day of the bridge course. The three tenses with the four forms were taught to the

students. Interaction session was also conducted. Students were asked to interact among themselves and also to frame sentences with the four forms of the tense. Students also participated in the same with enthusiasm.

In the afternoon session of the day two staff members from other disciplines delivered and shared their erudite thoughts on “Your Perception”. Students participated with more enthusiasm.

Active and passive voice was learned by the students on the fourth day of the Bridge Course. Students as a revision were asked to frame sentences of various types and from the same, they were taught “Active

and Passive voice”. Students participated more eagerly in the same.

Day three of the afternoon session was focused on the “Focus your Attitude”. Students were trained and explained about focusing the attitude.

The final day of the course came to an end with the vivid description about Homophones, Alliteration, Tongue twisters etc. The students were asked to come out with the feedback of the course. Students volunteered to give the feedback. Finally, the session came to an end about 11.30a.m

In the last day of the afternoon session students were encouraged and motivated on the topic “Your career development with effective Communication”. They were given various ideas and suggestions to endow themselves in their career.
